<b>Dermaplaning</b> .....	<i>per session</i> <b>£30.00</b>
Dermaplaning is a medical procedure that exfoliates the facial skin (or epidermis) and as a byproduct also removes the vellus hairs known as peach fuzz from one's face. The procedure is done by a licensed esthetician who will gently glide a scalpel across the skin removing the outermost layer of skin cells and hair from the face. The high-grade exfoliation dermaplaning provides helps remove the appearance of scarring, acne, uneven skin tone, and age. Patients are often concerned that hair will grow back heavier and darker after removing it but this is simply an old wives' tale. Vellus hair will grow back at the same rate and texture as before the treatment.	
<b>Diamond dust facials</b> .....	<i>(cleanse and moisturise) 15 min session</i> <b>£17.00</b> <i>(includes facial) 45 min session</i> <b>£26.00</b>
Diamond dust facials has many skin benefits. It works as a great exfoliator as the diamond particles remove dead skin gently without being harsh on the skin. It is also known to be a skin brightening agent. It reduces the wrinkles and fine lines on the face and hence acts as an anti-aging agent.
